We will be collecting donations at the concert to the ILMEA Instrument Fund, which is to benefit Illinois storm victims, specifically those who lost instruments, music, etc. in the November 17 tornado. Let's help these students make music again!

There will also be tee-shirts for sale ranging in price from \$3 - \$12. These sales will benefit our Music Department for the much needed things we need to purchase/pay for through our activity fund.

We look forward to seeing MANY families and friends at our concert!
